Industrial Visit to GTTC Magadi

12th April 2025 to 16th April 2025

The industrial visit to GTTC, Magadi was highly informative and beneficial. It provided students with hands-on exposure to technical processes and enhanced their understanding of real-world industrial applications. A total of **50 students** from the **CSE (AIML)** department of **RYMEC** participated in an industrial visit to the **Government Tool Room and Training Centre (GTTC)**. The visit was organized from **12th April 2025 to 16th April 2025**.

About GTTC

GTTC was established in **1972** in **Bangalore** through collaboration between the **Government of Karnataka** and the **Government of Denmark** under a Bilateral Development Co-operation Agreement. Due to its excellent performance, the Government of Karnataka expanded GTTC's reach by establishing **35 extension centers**, including a new center at **Magadi**. GTTC functions as an **autonomous institution** under the **Skill Development, Entrepreneurship, and Livelihood Department** of the Karnataka Government.

Purpose of the Visit

The main objectives of the industrial visit were:

- To provide practical exposure to manufacturing technologies.
- To understand precision engineering and modern tool-making processes.
- To bridge the gap between academic learning and industrial practices.
- To encourage skill development and entrepreneurship among students.

Activities and Learning Outcomes

During the visit, students:

- Observed CNC machining, tool design, and component manufacturing processes.
- Learned about quality standards and control measures in industrial production.
- Interacted with experts and trainers to understand the latest industry practices.
- Explored the training programs offered by GTTC for career development.
