Innovation Driven Workshop on Smart Dashboards Using AI

The Department of CSE (AI & ML), RYMEC, Ballari, in association with NAIN 2.0, organized a three-day workshop on “Smart Dashboards Using AI” from 22nd to 24th December 2025 at **10:00 AM** in the **IPCC Lab**, and NAIN 2.0 has funded with an amount of Rs. 37,100. The resource persons for the workshop were **Sri Shivraj V S**, Manager/Trainer, Abeyaantrix Edusoft, Davanagere, and **Sri Mallesh V S**, Technical Team Head, Krugna Technologies Pvt. Ltd., Bangalore. They provided hands-on training sessions on AI tools, dashboard development platforms, data integration techniques, and real-time project implementation strategies.

During the three-day workshop, participants learned about data pre processing, visualization techniques, AI-based predictive analytics, dashboard design principles, and practical implementation using industry-relevant tools. Interactive sessions, live demonstrations, and mini-project activities helped students gain practical exposure and enhanced their technical skills. The program was organized with the support of management and active involvement by faculty members of AIML Department and participation by students of AIML Department. The program ended successfully.

Road Safety Bootcamp 2026

The Road Safety Bootcamp 2026 was organized by the Department of CSE (AIML), RYMEC, Ballari, in collaboration with Aavas Financiers Ltd. and Triguna – The Science of Living on 4th February 2026 in the CSE Seminar Hall. The program began with an invocation and welcome address, followed by the inauguration through the lighting of the lamp by the dignitaries.

Dr. Suman D. Pennekar, SP Ballari, delivered an inspiring speech highlighting the importance of traffic discipline, helmet usage, and responsible driving among youth. The management and collaborating organizations also addressed the gathering and emphasized social responsibility.

A key highlight of the event was the distribution of helmets by Aavas Financiers Ltd as CSR Activity, which is funded with an amount of Rs. 1,77,000 in the form of 250 Helmets to all department Girl students to promote road safety awareness. The program concluded with bootcamp activities, a group photo session, and a Bike Rally to spread the message of road safety in the community.
