Proceedings & Summary of the Event

The Department of Mechanical Engineering at Rao Bahadur Y. Mahabaleswarappa Engineering College (RYMEC) successfully organized the 'Student Induction Program' and 'Freshers' Day' celebration for the 3rd-semester students on October 14th, 2026, at the Mechanical Seminar Hall.

The formal program commenced at 10:00 AM with the inauguration by Chief Guest Sri. Guruprasad, Commercial Tax Officer, Government of Karnataka, alongside distinguished management members, principal, vice-principals, and faculty members.

Key Address by Chief Guest Sri. Guruprasad:
"Student life is an extremely precious phase. In today's digital age, youth should limit mobile phone usage as much as possible and dedicate their full focus toward academic excellence and skill growth. Engineering education is not merely about obtaining a degree; rather, you must shape yourselves into 'Problem Solvers' who can address real societal challenges. Every single percentage point (even 1%) achieved during your academic career plays a pivotal role in defining your future trajectory and career success."

The programme provided an excellent opportunity for the 3rd semester students to interact with distinguished personalities, alumni and faculty members. The valuable guidance and motivational messages delivered by the dignitaries encouraged students to pursue academic excellence and develop the necessary skills for their future careers.

The Department of Mechanical Engineering sincerely acknowledges the support and encouragement extended by the management, Principal, Vice-Principals, Head of the Department, dignitaries, faculty members and supporting staff for the successful conduct of the programme.
