Brief Report on Swachh Bharat Abhiyaan 2026

Organized by: Department of Computer Science and Engineering (Cyber Security)
Venue: RYMEC Campus

1. Introduction

The Department of Computer Science and Engineering (Cyber Security), along with the active participation of students, organized **Swachh Bharat Abhiyaan 2026** at RYMEC Campus.

The programme aimed to promote cleanliness, hygiene, and environmental awareness among students and encourage responsible waste management. Students and department members actively participated in campus cleanliness activities and spread awareness about maintaining a clean and healthy environment.

2. Objectives

- To create awareness about cleanliness, hygiene, and sanitation.
- To encourage students to maintain a clean and green campus.
- To promote proper waste disposal and waste management practices.
- To develop a sense of social responsibility among students.
- To encourage teamwork and active participation in community service.
- To contribute towards the vision of a Clean and Healthy India.

3. Activity Highlights

- Students actively participated in the cleanliness drive within the RYMEC campus.
- Cleaning activities were carried out in classrooms, corridors, and surrounding campus areas.
- Students collected litter and helped maintain a clean environment.
- Awareness was created regarding proper waste disposal and avoiding plastic litter.
- Students were encouraged to adopt cleanliness as a daily habit.
- Faculty members and students worked together to make the programme successful.

4. Outcome of the Programme

The programme successfully created awareness about cleanliness, environmental protection, and individual responsibility among students. It also encouraged teamwork, discipline, and active participation in social activities.

5. Conclusion

Swachh Bharat Abhiyaan 2026 was a meaningful initiative organized by the CSE (Cyber Security) Department at RYMEC Campus. The programme inspired students to adopt cleanliness as a daily habit and actively contribute towards maintaining a clean and sustainable campus.

The initiative reinforced the message that **"Cleanliness is everyone's responsibility"** and encouraged students to contribute towards building a cleaner and greener India.
